10700 SERIES

Laminate Desking

ICONIC DESIGN.
LASTING PERFORMANCE.

All Around Performance

The iconic 10700 Series accommodates virtually any work style, with a comprehensive offering that works together seamlessly to create one smart solution. It makes a lasting impression with distinctive styling, contoured solid wood accents, waterfall-shaped edges, and intelligent solutions. Whatever the look, finish, style or functionality you desire, there's one answer. The 10700 Series.

PRACTICAL FUNCTIONALITY

The versatile design of the 10700 Series allows you to accommodate a virtually endless number of layout configurations. Our contract-grade laminate provides superior resistance to scratches, stains, and spills, and features best-in-class materials and construction, allowing you to enjoy your furniture for years to come. This combination of versatility and quality creates a comprehensive offering that is a smart solution from the private office to the reception area.

EVERYTHING IN ITS PLACE

Storage space is at a premium these days, and you can get more of it with the 10700 series. Our flexible storage options accommodate the way each person prefers to work, giving everyone exactly what they need. 10700 storage solutions work well together to put everything in its place.

STORAGE OPTIONS

Whatever your needs are, the 10700 Series has the perfect storage solution. From storage cabinets and wardrobes to modular and mobile pedestals, you can personalize your space in whatever way fits you best. Lateral files and bookcase help to organize materials and display your personal storage needs.
