Flexibility

Modify, tweak or customize any of our standard 2500 items with ease.

Size, shape and design doesn't matter! Special cut outs, going around corners, columns or creating a piece with a unique application has never been easier.

Without compromise, create your ideal solution in the exact size, finish and style without paying a premium or having an extended delivery time.

Others say it...we actually do it.

THINKING GREEN

Taking care of your workspace is our business. Taking care of the environment is our responsibility.

Our products are manufactured using only materials from sustainable forests and other well managed sources of wood fiber. Our entire supply chain is thoroughly checked to ensure they too are producing in a responsible manor.

SCS CERTIFIED COLD ™

Indoor Advantage Gold subjects all products to the most rigorous indoor air quality standards in North America. In addition Indoor Advantage tests individual components as well as completed and fully assembled product. The entire IOF line is certified and supports a healthy indoor environment by meeting the strict indoor air quality (IAQ) limits of SCS' Indoor Advantage Gold program.

Purchase IOF product with the confidence that you are contributing to a healthy and safe work environment.

LIFETIME WARRANTY

With SCS Gold[™] certification use of commercial quality materials and a dedicated and experienced workforce we confidently back all our products with a lifetime warranty.

We make furniture that looks great, fits, functions and stands the test of time. Please see our website for additional information regarding SCS, being green or our warranty.
