Comfort and function at your fingertips

- Wide seat & contoured back.** Provide all-day comfort allowing greater productivity.
- Pneumatic lift.** Raises and lowers chair to achieve best relationship to work surface. Proper seat height reduces pressure on legs and improves circulation.
- 360° swivel.** Swivels over the base, allowing user to remain seated while retrieving items from the active work zone.
- Tilt.** Adjusts seat and back to a reclined position for all-day comfort. Pivot point located above center of chair base.
- Tilt tension.** Adjusts the amount of resistance when reclining to accommodate individual weight and work styles.
- Tilt lock.** Locks the chair in an upright position for constant back support when not reclining.
