Put Your Office First.

Make working hard look good.

Office furniture should be easy and affordable without compromising quality. Prefix helps you solve this dilemma. Developed with the idea that every budget deserves durable, flexible furniture, Prefix gets you working fast and efficiently. By putting your office first, Maxon makes sure your furniture fits your space and your budget.

Maxon has always believed that office furniture should be easy. No one should have to compromise quality at any budget.

Overhead storage keeps often-used items close and off the worksurface.

Variable height panels with glass inserts allow more natural light in without impacting privacy.

Mobile pedestals provide low, easy-to-access storage and a place to sit for visitors.

Electrical and data run through the raceway, keeping cables neat and out of sight.

Getting down to business.

Let's get straight to the point. Prefix's functional flexibility allows you to work the way you want to work, and a broad finish palette sets the right tone for your office. Specification is simple, delivery and installation are quick. With Prefix, tight timelines are nothing to worry about.

Put functionality first with variable height worksurfaces and storage above the worksurfaces.

A lateral with a laminated top provides plenty of storage and an extra worksurface.

An open support leg gives a contemporary look to the workstation.

Paint: Shadow

Laminate: White

Fabric: City Lights | Wheat

Prefix panels have been designed to be 100% recyclable.

Our packaging contains recycled material and is recyclable, while our bulk pack option reduces the overall amount of packaging and thus, transportation needed.

Prefix has achieved BIFMA level 2 and SCS Indoor Advantage Certifications.

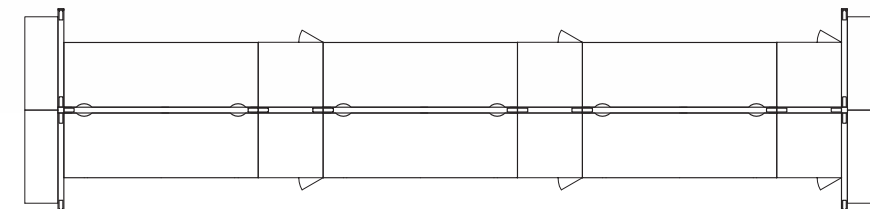

Big space in a small place.

No space, no problem. Benching makes the most efficient use of small spaces. Whether you are looking for a true benching solution for a team that works closely together, a more open feel in the office or need space for workers who spend more time in the field, Prefix makes benching accessible and affordable.

Affordable doesn't have to mean boring. A broad palette of fabrics and finishes puts your benching solution first in style and budget.

Got storage? Add towers, laterals and pedestals to your benching workstations to meet your storage needs.

Employees can access shared source and reference materials with a bookshelf at each end.

Maxon offers product value without compromising performance and a Limited Lifetime Warranty for peace of mind long after the installation is finished.

A brand you can count on.

Built in the USA by the HNI family of companies, known worldwide for their manufacturing excellence, Prefix gives you the confidence of a proven product line with the progression of a new office system. From a space-saving benching application to a private-office setting, Prefix can do it all, right in your office space.

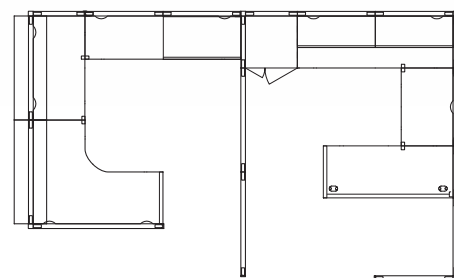

HNI Corporation is the second-largest office furniture manufacturer in the world.

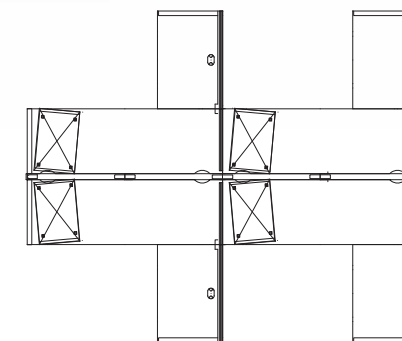

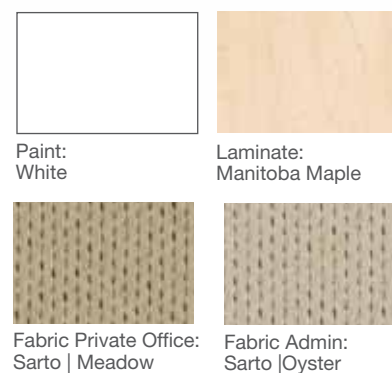

HNI was recognized by Fortune Magazine as one of America's Most Admired Companies in the furniture industry. IndustryWeek recognized HNI as one of the 50 Best Manufacturing Companies for five consecutive years.

Benching station combines Prefix panels with Surpass worksurfaces, glass privacy screens and open support legs.

Mobile pedestals with cushion toppers add storage and provide extra seating when needed.
